

Talk Boost

Key Stage 1

Who is it for:

- Teachers and Teaching Assistants supporting children with language delay in Reception and Key Stage 1

Key Information about Talk Boost:

- Training provided in school as 1 whole day (or 4 twilight sessions)
- Talk Boost is a structured and robustly evidenced based programme developed by ICAN, a national charity leading in the field of speech, language and communication.
- National trials show it can boost a child's communication skills by an average of 18 months after 10 weeks' intervention.
- Talk Boost provides classroom staff with effective strategies and practical activities that children enjoy which focus on:
 - listening and attention;
 - developing vocabulary;
 - sentence building;
 - storytelling;
 - building conversations.
- Pupil Premium – this intervention has shown to close the gap between 4-7 year olds with language delay and their peers.

We will provide:

- Accredited specialist Trainer
- Evaluation for school after training
- Ongoing coaching/mentoring role if requested
- Next steps
